

省道S255线（原县道X110麒大线）普宁麒麟至占陇段改建工程 拟征用地示意图（局部一）

This aerial map illustrates the proposed extension of Nanjing Metro Line 11. The map covers a large area in Jiangning District, Nanjing, and extends towards Zhenjiang. Key locations labeled include Nanjing, Jiangning, and Zhenjiang. The map shows the existing Line 11 route and the proposed extension route, which is highlighted in red. The extension starts from the existing Line 11 station at Nanjing and runs through various villages and towns, including Nanjing, Jiangning, and Zhenjiang. The map also shows the surrounding landscape, including rivers, roads, and urban areas. The map is a detailed aerial view, providing a clear visual representation of the proposed extension route and its impact on the surrounding area.
